

CURRICULUM VITAE

Personal Information:

Name: Claudia J. Clayton

Home Address: 99 S. 900 E.
Spanish Fork, UT 84660

Phone: (801) 798-6074 (Home)
(801) 378-5958 (Office)

Date and Place of Birth: 26 April, 1948, Salt Lake City, UT

Education:

Degrees:

Ph.D. 1991 Clinical Psychology
Brigham Young University

Ph.D. 1976 Anatomy/Neuroscience
University of Utah

B.S. 1970 Physics/Math
Brigham Young University

Fellowships:

1986-1987 Postdoctoral Fellow
Department of Psychiatry_
University of North Carolina at Chapel Hill

1985-1986 Psychology Intern
North Carolina Memorial Hospital
Department of Psychiatry
University of North Carolina at Chapel Hill

1976-1979 Postdoctoral Fellow
Department of Anatomy
University of Rochester School of Medicine

Employment History:

Sept 1999-present Teaching Assistant Professor of Psychology
Brigham Young University

1992-1999 Assistant Professor of Psychology
Brigham Young University

1991-1992 Temporary Assistant Professor of Psychology
Brigham Young University

1988-1991 Research Assistant Professor of Psychiatry,
University of North Carolina at Chapel Hill

1987-1988 Research Associate, Department of Psychiatry,
University of North Carolina at Chapel Hill

1980-1981 Assistant Professor of Neurology and Anatomy
University of Rochester School of Medicine

1979 Research Associate, Department of Neurology
University of Rochester School of Medicine

Honors:

Student Award for Excellence in Teaching, Psychology Department (1995)

Outstanding Female Student Award, College of Family, Home and Social Sciences, BYU (1982)

Grants Funded:

BYU GE Matching Funds Grant (Winter 2004), with Matt Haslam
Title: "Developing a Curriculum for Writing Instruction in Psychology 302"
Amount: \$8,000

BYU GE Matching Funds Grant (Fall 2003), with Hal Miller (P.I.) and Chris Layne
Title: "Training Undergraduate Teaching Assistants to Teach Writing"
Amount: \$6,000

BYU College of Family, Home, and Social Sciences Grant (1995-96)
Title: "Conciliatory Behavior in Young Children (17-19 months)"
Amount: \$4,000

BYU Women's Research Institute Grant (1995-1996)

Title: "Conciliatory Behavior in Young Children (11-13 months)"

Amount: \$1,450

BYU College of Family, Home, and Social Sciences Grant (1994-95)

Title: "The Development of Emotional Perception in Male and Female Infants"

Amount: \$5,400

BYU College of Family, Home, and Social Sciences Grant (1992-93)

Title: "Neurobehavioral Characterization of Borderline Personality Disorder"

Amount: \$1,250

National Institute of Aging Young Investigator Award AG01903 (1/80-12/82)

Title: "The LHRH System in Aging Rats".

Amount: \$90,000

US Public Health Service Postdoctoral Fellowship HD05668 (1978)

National Institutes of Health Training Grant (1972-1976)

National Science Foundation Undergraduate Summer Fellowship (1969)

Publications:

Presentations:

Clayton, C.J. Applying to graduate school: Basic issues: Presentation to the Psychology Club, Brigham Young University, November, 2003.

Clayton, C.J. Applying to graduate school: Advanced issues. Presentation to Psi Chi, Brigham Young University, November, 2003.

Clayton, C.J., & Haslam, M. Integrating the GE advanced writing requirement into Psychology 302. Presentation at the Writing Matters luncheon, BYU, November, 2003.

Clayton, C.J., Ballif-Spanvill, B., Hunsaker, M.D., & Spendlove, S. Effective violence prevention, conflict resolution, and peace programs for children. Paper presented at the 7th International Conference on Family Violence, San Diego, CA. (September, 2002).

Ballif-Spanvill, B., Clayton, C.J., Hendrix, S.B., & Hunsaker, M.D. Individual differences in dealing with peer conflicts in children who have and have not witnessed domestic violence. Paper presented at the Victimization of Children and Youth Research Conference, Portsmouth, NH. (August 2002).

Clayton, C.J., Spendlove, S.J., & Sturgeon, S. Using learning theory to improve personal behavior in relationships. Teaching Activity Poster, Annual Meeting of the American Psychological Association. (August 2002).

Ballif-Spanvill, B., Clayton, C.J., Barlow, S., & Hunsaker, M.D. Target skills and teaching techniques in effective antiviolence and peace education programs for children. Paper presented at the 9th Annual International Conference on Education. Spirituality, and the Whole Child, London, England. (June, 2002).

Miller, H.L., Jr., Clayton, C.J., Layne, C., Norton, E., Steffen, P.R., and Belcher, J. (2002). Revising the Undergraduate Curriculum and Major Requirements: One Department's Odyssey. Paper presented at the Psychology Learning and Teaching Conference, University of York, York, UK. (March 2002).

Ballif-Spanvill, B. and Clayton, C. J. "Peacemaking Behaviors Dominate the Interactions of Unacquainted 3-Year-Olds Playing in Pairs," Poster presented at the American Psychological Association, Boston, MA. (August 1999).

Ballif-Spanvill, B., Clayton, C.J., Barlow, S., and Reber, J. "Teaching Peacemaking Skills Using Children's Multiple Ways of Knowing: An Antedote to Violence Observed and Learned in Society," Paper presented at the American Psychological Association, Boston, MA. (August 1999).

Clayton, C. J., Ballif-Spanvill, B., Barlow, S., and Beyers, M., "Scaling Children's Peacemaking Tendencies and Intentions to Engage in Violence," Paper presented at the American Psychological Association, Boston, MA. (August 1999).

Ballif-Spanvill, B., Clayton, C. J., & Clemmer, J. Curricular experiences designed to teach interpersonal peacemaking skills to children from violent and normal families. Poster presented at the 4th International Conference on Children Exposed to Family Violence, San Diego, CA. (October, 1998).

Clayton, C. J., Ballif-Spanvill, B., & Beyers, M. Measures of interpersonal peacemaking and aggression in children. Poster presented at the 4th International Conference on Children Exposed to Family Violence , San Diego, CA. (October, 1998).

Clayton, C. J., Ballif-Spanvill, B., Barlow, S. H., Beyers, M., & Clemmer, J. Design and evaluation of activities to teach peacemaking skills to children from normal and violent Families: Structure of the experiment. (15 min.) Paper presented at Program Evaluation and Family Violence Research: An International Conference. Durham, NH. (July, 1998).

Clemmer, J., Ballif-Spanvill, B., Clayton, C. J., Barlow, S. H., & Beyers, M. Design and evaluation of activities to teach peacemaking skills to children from normal and violent families: Curriculum considerations. (15 min.) Paper presented at Program Evaluation and Family Violence Research: An International Conference. Durham, NH. (July, 1998).

Beyers, M., Clayton, C. J., Ballif-Spanvill, B., Barlow, S. H., & Clemmer, J. Design and evaluation of activities to teach peacemaking skills to children from normal and violent families: Measurement and evaluation. (15 min.) Paper presented at Program Evaluation and Family Violence Research: An International Conference. Durham, NH. (July, 1998).

Holt-Lunstad, J., Clayton, C. J., & Uchino, B. N. Cardiovascular responses to one-to-one competition: Effects of winning vs. losing and gender of competitor. Poster presented at the Nineteenth Annual Scientific Sessions of the Society of Behavior Medicine Conference. New Orleans, LA. (March, 1998)

Clayton, C. J. & Ballif-Spanvill, B. Aggression and peacemaking are intertwined and frequent in pairs of unacquainted 3-year-olds. Poster presented at The American Psychological Society 10th Annual Convention. Washington D.C. (May, 1998).

Ballif-Spanvill, B. & Clayton, C. J. Peacemaking within potentially violent situations. Poster presented at The American Psychological Society 10th Annual Convention. Washington D.C. (May, 1998).

Ballif-Spanvill, B., Clayton, C. J., Barlow, S. H., Clemmer, J., & Beyers, M. Design and evaluation of activities to teach peacemaking skills to children from normal and violent families: Conceptual framework. (15 min.) Paper presented at Program Evaluation and Family Violence Research: An International Conference. Durham, NH. (July, 1998).

Clayton, C.J. Discerning personal revelation. (1 hr.) Paper presented at BYU Women's Conference. (May, 1997).

Ballif-Spanvill, B. and Clayton, C.J. Methods used to study young children's ways of dealing with conflict. (1 hr.) Paper presented at the 5th International Conference on Conflict Resolution. St. Petersburg, Russia. (May, 1997).

Clayton, C.J. and Ballif-Spanvill, B. The development of conflict resolution strategies in young children. (1 hr.) Paper presented at the 5th International Conference on Conflict Resolution. St. Petersburg, Russia. (May, 1997).

Ballif-Spanvill, B. and Clayton, C.J. Peacemaking in young children. (20 min.) Paper presented at the 1997 Concurrent Conferences of the Consortium of Peace Research, Education and Development and the Peace Studies Association. Washington, D.C. (June, 1997).

Barlow, Sally H. and Clayton, C.J. Invited presentation (1 1/2 hrs.) : "Infanticide by Females". First Annual Conference on Conflict and Aggression, sponsored by the Pacific Institute for the Study of Conflict and Aggression. East-West Center, Honolulu, HI. (November, 1996.)

Presentations also published as abstracts in the proceedings of the meetings:
